Vote for the City of Mount Holly's new Logo!

The Foundation, in collaboration with the City of Mount Holly, is sponsoring a logo design contest to create a new "brand" for the City. Professional designers served as judges and narrowed the submissions to three finalists. You can visit the Foundation office Monday through Friday to cast your ballot or **YOU CAN VOTE HERE!**

Things to Consider

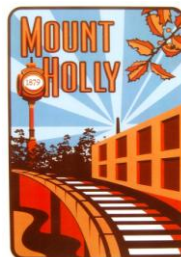

Designers were asked to create an image that communicates Mount Holly's rich textile history, while creating awareness of the City's connection to the Catawba River and its place in the region. This logo will not take the place of the City's official seal. It will be used for banners, gateway signs and on promotional materials.

Design May be Modified

The winning design may be somewhat modified (color, font, etc.) With this in mind, please vote for the overall concept you like the most. City Council will make the final decision, and we want to hear from citizens!

A

B

C

Vote through May 14!
